

Pycnogenol® French Maritime Pine Bark Extract

An all-natural anti-aging solution

Item #01637 • 60 vegetarian capsules

This natural botanical extract contains procyanidins, bioflavonoids, and other health-giving molecules that synergistically support the body's natural defenses against 5 major processes that characterize premature aging. Its effectiveness is backed by 40 years of study.

Life Extension® **Pycnogenol®** French Maritime Pine Bark Extract is designed to counteract premature-aging-related changes by providing support for the following mechanisms:

MEMBRANE FUNCTION: *Pycnogenol®* promotes the integrity and normal characteristics of cell membranes.¹⁻⁴

DNA FUNCTION: *Pycnogenol®* helps support normal DNA function through antioxidant activity and possibly other mechanisms.⁵⁻⁸

EASE INFLAMMATION: *Pycnogenol®* helps ease inflammation by normal modulation of inflammatory cytokine molecules.⁹⁻¹³

OXIDATIVE STRESS: *Pycnogenol®* supports the normal functioning of healthy antioxidant systems to help suppress free radicals and protect DNA.¹⁴⁻¹⁹

GLYCATION: *Pycnogenol®* supports cellular metabolism of sugar, healthy fasting, and post-meal blood sugar levels already within normal range, and normal sugar absorption in the intestine.²⁰⁻²⁵

Unlike other forms of pine bark extract, Pycnogenol® is a superior patented and standardized ingredient that has undergone extensive human clinical research to substantiate its numerous anti-aging properties.

Order **Pycnogenol®** now and beat Father Time at his own game!

Pycnogenol® is a registered trademark of Horphag Research Ltd. Use of this product may be protected by one or more U.S. patents and other international patents. Supported by over 40 years of research.
